"THE PHANTOM

Scott
Scott A.

Helped Tim
with speech.
Told him to
pick a topic
he enjoys.
Tim picked
mountain
bikes.

Took Tim
his favorite
cereal, Cap'n
Crunch. He's
not sure
about giving a
speech to his
class.

Tim's speech
is getting
better. Got him
to imagine his
audience in
their underwear.
So he wouldn't
be so nervous.
Brought
Tim 2 more
boxes of
Crunch.
He loves
that
sweet
crunchy
taste!

Tim can't wait
to give speech.
Maybe all he
needed was to
Crunch up his
confidence.
Cleaned
my
room.
Have
to stop
eating
my cereal
in bed.

Tim's speech
was terrific!
Got an A+
from the whole
class. I knew
he could
do it!
Weekend!
Time to
go to
national
speech
contest!

You and the Cap'n make it happen!

Dear H-B Comic News:

I must be the world's biggest Top Cat fan. I have a Top Cat hat and almost every cartoon on tape. I was wondering if there was a Top Cat comic coming out?

*Eric Leonhardt,
Sheboygan, WI*

(Eric, Top Cat makes his first comic appearance in years in All-Stars #4. Other stories are in the planning stage. If there's enough interest, we will give the furtive feline a chance in his own Top Cat comic, perhaps under the H-B Presents banner. What do the rest of you think?)

(Thanks, Ben, for paying attention to what we think is a very cool book. It's certainly worth considering. Some H-B Presents books already in the works are a Magilla Gorilla and Quick Draw McGraw pairing (including a hilarious crossover), A Pup Named Scooby-Doo and a special Olympics issue with the entire H-B gang.)

Dear H-B Comic News:

I love the new Hanna-Barbera Presents. I like the idea of giving less popular characters their own comic. If at all possible, I would like to see my absolute favorite, The Impossibles, get their own comic.

*Ben Reynolds,
Campbellville, Ontario, Canada*

Dear H-B Comic News:

Thank you for the new Flintstones comic books. It's about time! The artwork is terrific and the story lines are clever. As a fan of the Flintstones, I look forward to seeing more comics with Fred and the gang. I will collect them all.

Delores Nastri, Villas, NJ

(Gee, Delores, don't you like the Jetsons, Scooby, Yogi and the rest of the guys? Just kidding. So nice to get mail like yours.)

TOP CAT BACK IN TOWN!

Top Cat takes center stage for the first time in years ... and it's one incredible event!

Starring in **H-B ALL-STARS #4**, the furtive feline is featured in his first original story in almost twenty years. TC is back with Chooch, Spook, Benny, Officer Dibble and the rest of the gang for this hilarious, brand new story about a traitor in the midst of the Top Cat gang.

Also starring in this issue are *The Flintstones™* and *Yogi Bear™*.

GEORGE JETSON™ IS ELROY'S CLASSMATE

What a development! School files show that poor George Jetson never finished elementary school and if he wants to keep his job at Spacely Sprockets, he's gotta go back to class!

But wait, believe it or not, he's in Elroy's class! Elroy is humiliated, George is in over his head -- and you'll have the time of your life.

This fantastic story is one of three super tales in **THE JETSONS™ #8**, on newsstands now.

FRED INVENTS WONDER WEAR!

Fred Flintstone™ may have invented the product of the century -- or, at least, of the moment! Through an amazing and quite happy accident, Fred creates Wonderwear, the underwear that turns an ordinary man into a hunk!

This laugh riot is featured in **THE FLINTSTONES™ #8**, on newsstands now.

Remember Fred's invention of paper several issues ago? Well, take that one step further and you've discovered Wonderwear! Get your pair now, before they're sold out!

Sneak Previews!

Next month

features a first time crossover of two Hanna-Barbera favorites. Magilla Gorilla and Quick Draw McGraw share billing in **H-B PRESENTS #4: MAGILLA GORILLA™ AND QUICK DRAW MCGRAW™**. This zany tale pits the simple-minded sheriff against the outlaw gorilla. It's one you'll long remember. Also included are new stories of each of these favorites ... George Jetson™ is given the boot by wife Jane for messing up their anniversary. In **THE JETSONS™ #9**, the two are in deep marital discord as a happy anniversary becomes a very, very unhappy one ... in **THE FLINTSTONES™ #9**, it's Fred Flintstone, Space Traveler, as Fred is sent flying into the stratosphere and to ... can it be, the moon? It's a lunar launch with the lunatic fringe! Scooby-Doo and the gang are chased by a dinosaur straight out of the Jurassic Age as they innocently stroll into an old Western town and can't get out! That's in **SCOOBY-DOO #8**, coming next month!

SCOOBY-DOO™ VERSUS LIVING MUMMIES

Scooby-Doo

and his pals of the Mystery Machine are stumped by the fantastic mystery of the Black Museum, a place where mummies come alive and daddies run for cover!

This wild and wacky adventure is just one of the two suspenseful stories featured in **SCOOBY-DOO #7**, currently on sale.

Co-starring Shaggy, Fred and the rest of the gang, these are a pair of tales you'll long remember. Issues are selling out everywhere so run, don't walk to your favorite newsstand or comics store.
